

Dear Painting Friends,

It's almost time for Nashville. I'm excited about painting with you and learning new things as well as renewing friendships. I know many of you are wondering what we will be painting. Please be assured that you will not be disappointed. As the saying goes.....Good things come to those that wait. We will be doing two paintings. One small and one slightly larger that you will be painting along with me. You will be painting from a photograph of the actual set up. I will be supplying the surfaces, paint, odorless turp, Liquin, and photos

The supplies that I would like you to bring are the following:

Table top easel

Paper towels

Toned Palette: *(I don't like white palettes. You can either use the gray palette by Houston Art or Richeson Art Supplies or you can take a cheap 11 X 14 picture frame and use the glass and cardboard backing as a palette.*

Paint scraper if using a glass palette

Hand mirror

Tracing and transfer paper

Note pad and pencil for taking notes

Camera for pictures

Jar for turp

Brushes: I will be bring brushes, transfer paper, palette knives and wipe out tools for sale and you will receive a 30% discount off the retail price should you want to buy them at time of class

I use Royal Supreme Hog Bristle filberts Series 1AT in sizes 2, 4 also

Royal brights series 5510 in various sizes, 2, 4,6, 10, 14, 18, 24 and Royal flats 5590 in size 4 and 8

Palette knife

Wipe out tool

I will have videos for sale and some smaller paintings for sale

I take Visa and Mastercard

Transporting a wet painting:

I will have a cardboard to place on top of the larger painting along with canvas pins to keep the two pieces apart from each other. The smaller painting can be placed on the other side with the same pins. They will be small enough to put in your suitcase

I look forward to seeing each of you and spending 3 wonderful days painting.

If you have any questions, don't hesitate to call or email

Thanks

Elizabeth
